Hello Mr. Hodes: Apologies for the mistake. It is region 8 and 9 as specified in the content of the email. Please confirm you are withdrawing this FOIA request to submit two separate requests for the two regional contracts.

Thank you!

Sincerely,

Kush Khatri

I will withdraw -- you wrote Region 6 and 8 in your header but region 8 and 9 in the body of your message- can you verify which it is.

FOIA Request: EPA-HQ-2013-007198

Dear Mr. Hodes:

You have requested April 2013 monthly reports for two EPA contracts with CH2M HILL, that are with EPA Regions. Contract EP-W-06-021 is at **Region 9** (San Fransisco) and Contract EP-S8-12-02 is at **Region 8** (Denver).

For quickest possible response please withdraw this request and submit **two** new separate FOIA request for each of the contracs listed above. In your new request mention the Region numbers as given above. This will ensure that your FOIA request is directed to the people who might have the documents you have requested.

I can have this split up and then make a transfer request with HQ (Washington). The problem is that it will take longer to establish ownership and to coordinate the two separate responses. Plus, the processing charges for you, if any, will be much lower if you were to submit two separate requests.

I am putting this request on hold until I hear from you whether you want to withdraw this request and submit two new ones (quicker action) or if you want me to split this request and put in a request for transfer (will delay processing).

If you have any questions please email or by phone I can be reached at 202/565-4392.

Sincerely,

Kush Khatri
